Monday May 1st at Midnight is the Deadline for Out of State Videos

## **How long is the recital?**

About two hours and a 15 minute intermission (won't know exact time until I know who is participating this year!)

## **Do I HAVE to wear a costume for my solo song?**

Most students are planning on wearing something like a costume or at least something fancier than jeans and t-shirt. This is not the time to spend a zillion dollars on renting a costume or attempting to coerce your friendly neighbor with carpal tunnel into making you one! Be creative with whatever you already own and remember that your teachers have been performing since the dawn of time... We have a TON of costume odds and ends. Also, pinterest! We'll talk more in your lesson!

## **What do I wear for the group numbers?**

### **“Put on Your Sunday Clothes” (ALL)**

Elegant, evening wear that looks classic. (We'll have shawls, parasols, top hats, bow ties, etc. Nice dresses/jackets with slacks would be perfect.)

### **“After the Ball” (Middle School)**

All black please. We'll be providing skirts/tiaras or dress coats/hats depending on which “role” you're singing.

### **“Over the Rainbow” (High School And Adult)**

All white dresses/pants/shirts with accents in your color.

## **Revolting Children (ALL)**

## **What's a bio?**

Short for biography. It's a little blurb that you find in most professional programs. Please format yours like the example below. Let me know if you'd like to see a few other examples.

Paige is a fifteen year old sophomore at Archbishop Mitty High School. She has been taking lessons with Sheila for almost a year. She has performed in over 20 shows including playing Ti Moune in ONCE ON THIS ISLAND and Teen Fiona in SHREK. Paige recently placed third in the musical theatre division at the NATS singing festival. She is excited to perform in her first

Upper Floor Studio recital. Big thank you to her parents and her awesome teacher!

### **What's a headshot?**

In short, a photo of your head. :) It doesn't need to be a professional headshot for performing. A nice school/work photo works well too.

### **How much does this incredible recital cost?**

\$250. As always, if cost is a limiting factor please don't hesitate to reach out. If you'd like to volunteer to help before or after the recital, please let me know. Which leads me to...

### **I would like to pay for part or all of someone's recital cost. How do I do that?**

First off, YAY and thank you so much for your generosity. We love this wonderful community of singers and want to give everyone an opportunity to participate in awesome activities. We also like paying our bills. Go figure! You can make a check out to Upper Floor Studio and put scholarship fund in the memo line or Venmo your teacher directly with scholarship fund in the memo. Thank you so much for your thoughtfulness!!!
